

## SALT LAKE WOMEN ARE FETED IN LEHI

State Society of Daughters of the Revolution Visit the Matilda Evans Chapter.

Lehi, June 18.—Matilda Evans chapter, Daughters of the Revolution, entertained the state society on Wednesday. The visitors were met by the regent, Mrs. O. A. Slade, and members of the local chapter. An organ recital by Mrs. Lula Anderson was a feature of the entertainment, and the visitors declared the new pipe organ second only to the tabernacle organ in Salt Lake.

They then were entertained at luncheon in the home of Mrs. Sarah Stewart, the color scheme in decorations being red, white and blue. Following the luncheon a program was given in the home of the regent, Mrs. Slade, the decorations being artistically done in the society colors, blue and yellow, a feature of unusual interest being a camp kettle used at Valley Forge in 1777 by Henry Thomas of Tennessee, great-grandfather of Emily Woodhouse, one of the members. Mrs. Slade gave an address of welcome to the visiting ladies, which was feelingly responded to by State Regent Mrs. Clara Y. Spencer, who afterward read a paper wherein was explained the difference between the two great national bodies of the patriotic daughters.

After the program impromptu remarks were made by Mrs. M. E. Weber, Mrs. Julia M. P. Farnsworth, Mrs. M. Y. Douglass and others, while strawberries and ice cream were being served.

Each guest was presented with a package of postal cards, illustrating points of interest in and around Lehi, the presentation being made by Mrs. James M. Kirkham.
